

FIXCOLL CEP PRO

Customised Production Cardboard Courier Envelopes

Numerous production options

Optional: Safe individual coding

P&S and easy-open tear strip

Optional: Integrated waybill pouch

Also available as small-scale series

Application examples

- ▶ Professional advertising means for all CEP service providers
- ▶ Communication of brand and image - all the way from sender to recipient
- ▶ Ideally suited to strengthen brand awareness and customer ties
- ▶ Additional service or shop product for CEP service providers

Product benefits

- ▶ Customised production according to your preferences, with high advertising impact
- ▶ Favourable small-scale series with print on finished products (without document pouch)
- ▶ Medium- to large-scale series as complete productions, optionally:
 - with print (up to 6 colours), embossing and standard or special effect varnishes, in customised sizes and qualities or based on existing standards,
 - with integrated document foil pouch for waybills,
 - with individual safety coding, e.g. as alphanumeric code or barcode
- ▶ Ecological: Made from more than 80% recycled material, 100% recyclable
