

PRESENT FILL®

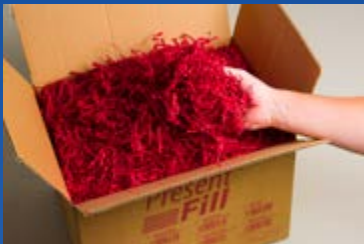

▶ Decorative Filling Material 100% Recyclable

Comes in a convenient box

High padding capability

Space-saving and very high yield

Ideally suited for the IMAGE BOX

100% eco-friendly

Application examples

- ▶ For decorative padding and retention of:
- ▶ Promotional and gift items
- ▶ Wine and beverage bottles
- ▶ Glass and ceramics

Product benefits

- ▶ Attractive, effective and virtually dust-free
- ▶ Flexible: Simply remove suitable amounts of filling as required
- ▶ Remove, extract, use enormous padding volume
- ▶ Ideal: Prevents damage and breakage
- ▶ Ecological: 100% recycling paper, 100% recyclable
- ▶ More pleasure than pain: Replaces unsightly filling chips and bubble wrap
- ▶ Made in Germany. Available in many other attractive colours
